

Colourful flowers from Foam Rubber

v15984

Make colourful flowers by attaching foam rubber ice lolly sticks and beads together on a string.

Comment faire

1 Thread a needle and push it through a pink foam rubber ice lolly stick approx. 0.5 cm from one end.

2 Make the following combination of foam rubber ice lolly sticks: pink bent, green, pink bent and a yellow bead as shown in the photo.

3 Continue with another two bent pink foam rubber ice lolly sticks and a yellow bead. These are the petals. Repeat four times.

4 Finish the flower by tying the ends of the string together. You may add a string for hanging.
