

A Design made from Nabbi Fuse Beads on an adhesive Sheet

v13944

The design is made from Nabbi fuse beads on a pegboard. It is then transferred mirror-imaged onto a double-sided adhesive sheet and then attached to a piece of card.

Comment faire

1. Make a design with Nabbi fuse beads on the pegboard using your imagination.

2. Remove the protective paper from one side of the double-sided adhesive sheet.

3. Carefully attach the sticky side on top of the bead design. Do not remove the pegboard until all beads are attached securely to the adhesive sheet.

4. Trim the sheet along the edge.

5. Remove the protective paper from the other side of the double-sided adhesive sheet.

6. Attach the bead design onto a background, for example, a piece of card.
