

A Glass Heart with Decoupage

v12837

Decorate the glass heart with Vivi Gade Design decoupage paper.

Comment faire

1. Choose a motif from the decoupage paper and cut it out.

2. Apply a coat of decoupage lacquer for glass and porcelain with a brush onto the front of the motif and attach it to the glass heart.

3. Cut out a piece of felt with the same outline as the heart.

4. Use a brush for applying a coat of decoupage lacquer for glass and porcelain onto the glass heart heart and place the glass heart onto the piece of felt.

5. Write text on the front of the glass heart using a glass and porcelain contourmarker.
