

Stars with Napkin Decoupage

v1356

Painted stars with napkin decoupage. Details made with a Clear Marker

Comment faire

1 Paint the star with white Plus Color.

2 Paint the star with decoupage lacquer.

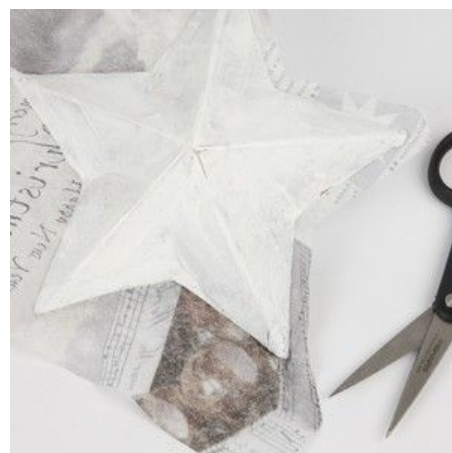

3 Carefully remove the top layer of the napkin.

4 Put the napkin on top of the star.

5 Gently apply a layer of decoupage lacquer on top.

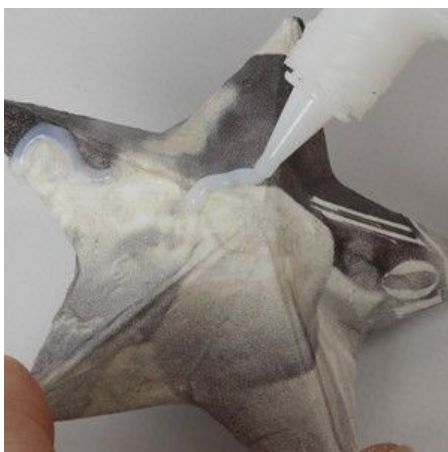

6 Cut the napkin approx. 1cm from the edge.

7 Fold the edge around the star using decoupage lacquer. (Repeat on the other side).

8 Emphasize details using a Clear Marker. Let it dry.
