

Coupez un autre morceau de ruban et attachez un arc. Mettez un coeur sur l'arc et attachez tout le ruban en utilisant le ruban adhésif double face.

v13488

Fixez du papier design, des autocollants en bois autocollants et des strass autocollants sur le devant de la carte de vœux.

Comment faire

1. Cut out and attach a piece of design paper slightly smaller than the light framed area on the front. Use self-adhesive double-sided tape.

2. Attach a piece of masking tape vertically onto the front of the greeting card. Trim the edges.

3. Attach the self-adhesive sticker onto the middle of the front of the card.

4. Attach a self-adhesive rhinestone in each corner.
