

Gift wrapping decorated with a Rosette made from Paper Star Strips

v14725

This present is wrapped in wrapping paper and decorated on top with a large rosette which is made from 10 paper star strips.

Comment faire

1 Trim 10 paper star strips (Width: 15 mm are used in this example) to different lengths with 1 cm difference (shortest = 26 cm, longest = 35 cm).

2 Twist each paper star strip into the shape of a number 8 and glue. (Study the photo carefully).

3 Glue all the figure eights together staggered on top of each other with the largest at the bottom and the smallest at the top.

4 The rosette is taking shape ...

5 Wrap the present in wrapping paper and glue the rosette on top.
