

Une barrette avec une fleur en cuir

v14745

These metal hair clips are decorated with a leather flower with a sewn-on bead in the middle. Ces barrettes sont décorées avec une fleur de cuir et avec une perle cousue au centre.

Comment faire

1 Use your imagination and draw two different sized flowers on a different piece of leather. Cut out and place the two flowers together.

2 Thread a cross stitch needle and tie a knot at the end, giving a double thread.

3 Feed the needle through the hole in the hair clip and then through the two flowers with a wooden bead in the middle and then back again. Repeat approx. 4-5 times.

4 Finish with a knot. Secure the end.
