

A Parrot from patterned Card

v14330

This parrot is made from several parts of patterned card, cut out using the template and then glued together. The googly eyes are attached at the end.

Comment faire

1 Print out the template which is available as a separate PDF-file for this idea. Cut out the template and copy onto card, cut out and glue the parts together. Attach googly eyes onto the figure's head.

Another variant Same figure – but from foam rubber with glitter.
