v14932

These tall white papier-mâché boxes are painted with Plus Color craft paint and then decorated with Plus Color markers in matching colours.

Comment faire

1 Paint the boxes with Plus Color craft paint. Use masking tape for straight edges when changing colours. Leave the boxes to dry before continuing with step 2.

2 Decorate with patterns and lines using Plus Color markers in matching colours. If you're using a template; copy the outline of the template onto the box first using a pencil.
