

A windmill decorated with textile markers

v15681

Decorate a flower-shaped nylon windmill using textile markers. When the windmill is not being used, place it in a flower pot for decoration.

Comment faire

1 Decorate the windmill parts with textile markers. Leave to dry completely.

2 Assemble the windmill..

3 You may place the decorative flower-shaped windmill in a terracotta flower pot with sand when not in use. The flower pot may be decorated with craft paint.
