

Table decorations from punched-out giraffes

v15656

Make your own table decorations from punched-out card giraffes and card circles.

Comment faire

1 Cut pieces of card to fit the dies for the die-cutting and embossing machine. Punch out giraffes and circles from black, off-white and natural coloured card.

2 Trim wooden flower sticks and attach them onto the back of the punched-out giraffes with a glue gun. You may insert the giraffes on the sticks into bread rolls or into a bouquet of flowers for decoration.
