

A Christmas tree covered with XL chunky yarn

v15723

Decorate a wooden Christmas tree with yarn. Attach the soft chunky yarn with Sticky Base. Decorate the Christmas tree and the stand with a mixture of mini glass beads and Sticky Base. Use the mixture for modelling the Christmas tree star at the top of the tree.

Comment faire

1 Mix mini glass beads with Sticky Base and coat the mixture evenly onto the Christmas tree stand.

2 Apply Sticky Base onto the Christmas tree cone as glue and wrap red XL chunky yarn around it.

3 Mix mini glass beads with Sticky Base and make a star. Attach the star onto the top of the tree with a small blob of Sticky Base. Attach the glass beads onto the tree as Christmas baubles using Sticky Base.
